

**Bishop David Sheppard CE (A) Primary School**  
**Year 3 Project Homework**

The activities below are project based and children should make their own decisions about how to present their work.

Each task has a point score based on the complexity of the task; although children may choose which activities to complete, they MUST complete enough tasks to score a MINIMUM OF 12 POINTS by the end of term.

**During the last full week of term**, children will be invited to bring their projects to share with their class. Points will be collated and certificates and DoJos will be given for effort and achievement.
