

Bishop David Sheppard CE (A) Primary School
Year 5 Project Homework

The activities below are project based and children should make their own decisions about how to present their work.

Each task has a point score based on the complexity of the task; although children may choose which activities to complete, they MUST complete enough tasks to score a MINIMUM OF 12 POINTS by the end of term.

During the last full week of term, children will be invited to bring their projects to share with their class. Points will be collated and certificates and DoJos will be given for effort and achievement.
